INT. BEDROOM - NIGHT

LEAH (25, spirited and fun) finishes up her makeup in the mirror. She tracks the blush across her cheeks. Checks it in the light as it shimmers, delicate and subtle. She smiles at herself --

LUKE

How do you know it won't be like
last time?

Leah's face sinks as she turns to face LUKE (25, carefree) in his bright blue onesie.

LEAH

It won't be like last time.

LUKE

That's what you said last time.

LEAH

I'd only spoke to him for a week
last time!

LUKE

How long has it been this time?

LEAH

Two weeks.

Luke's face curls into a grimace. Leah glares at him through the mirror.

LEAH (CONT'D)

It *won't* be like last time.

INT. RESTAURANT - NIGHT

Sat across from Leah, is a perfectly dressed man. Immaculate, even. Crisp blazer, elegant tie. The dream date.

Apart from the fact that his head is A FISH.

He runs a hand across his chin. It would be seductive if not for... well, you know.

Leah squirms behind her large glass of wine.

SUPER: Don't get catfished this Valentine's Day. Icebreaker is the video call dating app for you.

FADE TO BLACK.
